

Guides Gear List for Archery. You don't have to buy this exact stuff but what ever your clothing preference. Make sure it is close to what is displayed. Trust us. This gear works for our guides 60 days in the field every season.

Base Layers

Sitka Gear Core Lightweight Hoody

Sitka Gear Core Lightweight Bottom

Kelvin Lite Hoody/Sitka Gear

Sitka Gear Mountain Pants with Knee Pads

Kuiu/ Chugach NX Rain Get Set Or something similar. Great rain gear is always worth the money!

Kuiu Yukon Gaiters

Sitka Gear Bino Bivy. We pair these two together.

Kuiu / Range finder Holder Attaches to Bino Bivy

Kuiu/ Mid Weight Mountain Sock or similar.
Merino wool preferred.

Solomon/ GTX Boot or similar/
Light and water proof/ well built for
lots of side hilling!

Sitka Gear Mountain Glove or similar. Make sure you shoot your bow in these before you show up!

Sitka Cap or similar.

Sitka Ascent 12 day pack or similar. And some type of bow sling for long walks out.

You will need to pack your layers in this pack. And basic small gear.

AGAIN. Make sure you shoot your bow with all gear on so you know how it performs and you maintain all shot clearances in your gear.
